

Four Easy Steps

STEP

1

PREP

Your Catapult Account Manager will work with you to **choose your dates about 60 days in advance** to give everyone time to sign up. In many cases, multiple dates may be needed to ensure that everyone can participate. Once your dates are set, **reserve the on-site spaces** where the clinics will take place.

2

PROMOTE

It's important that all of your employees know about the upcoming clinic and how to sign up. Don't worry — **Catapult will provide all needed materials** including emails, signage and handouts to help promote your event and drive signups.

3

CLINIC DATE

We'll bring all of the necessary supplies and equipment. We just ask that you **provide the clinic space, the private consultation space**, as well as some tables and chairs — and **arrive early to let our Catapult staff in to set up**.

STEP

4

CELEBRATE

Catapult will provide **aggregate health results**, as well as highlighting opportunities for improving employee health. Make sure to thank your employees for participating, and share any appropriate results with leadership and employees. **Then get a jump start on next year and get your clinic on the books!**
